**"POWERING THE SAF
TRANSITION"**

Bharat Mandapam, New Delhi

28th – 29th September 2026

Strategic Partner:

“

Through the Panchamrit, we have set a roadmap for sustainable growth, where every sector, including transport and aviation, contributes to our journey towards net zero. Green growth is not just an obligation; it is an opportunity to make India a global leader in sustainable innovation. ”

Inspired by the Vision
Shri Narendra Modi, Hon'ble Prime Minister of India

RISING SAF DEMAND: POWERING CLEAN SKIES

With India's aviation market projected to triple in the next two decades, the demand for jet fuel is set to rise sharply—creating both an energy challenge and a sustainability opportunity. Sustainable Aviation Fuel (SAF), with 60% to 90% lower lifecycle emissions than conventional jet fuel, is poised to play a pivotal role. By 2030, India's SAF demand is expected to exceed 8–10 million tonnes annually, fueled by airline net-zero commitments, policy support, and global sustainability mandates. This growing demand positions India to emerge not only as a major consumer but also as a global hub and exporter for clean aviation fuels, driving economic growth while advancing its Net Zero 2070 vision.

INDIA'S SAF OPPORTUNITY

India is well-positioned to lead the global SAF transition, supported by a strong aviation sector, expanding ethanol capacity, and abundant feedstock. With the potential to produce 19–24 million tonnes of SAF annually by 2050, the country is advancing both bio-SAF and electro-SAF, leveraging surplus biomass, renewable energy, green hydrogen, and captured CO₂. Blending targets of 1% by 2027 and 5% by 2030 are accelerating momentum, positioning India as a future global hub for SAF production and export—driven by domestic demand, international opportunities, and strategic initiatives like the National Green Hydrogen Mission and PM-JI-VAN Yojana, strengthening its role in the sustainable aviation economy.

About India SAF Conclave

The 2nd Edition of the India SAF Conclave marks a decisive step in advancing aviation decarbonisation agenda, with a strong emphasis on action readiness, policy alignment, and technology advancement. As global compliance with CORSIA and other sustainability mandates accelerates, India is emerging as a key player in scaling Sustainable Aviation Fuels (SAF) and e-Fuels to meet both domestic and international commitments.

Positioned as India's biggest and most influential Sustainable Aviation Fuel (SAF) Conclave, this event will unite policymakers, global aviation leaders, technology pioneers, and investors to chart the course for India's clean aviation future. The conclave will define actionable pathways for SAF deployment and CORSIA implementation, while showcasing cutting-edge innovations in Power-to-Liquid (PtL), carbon capture, hydrogen, and digital MRV systems. By bringing together policymakers, innovation, and finance, this conclave aims to accelerate India's journey toward a sustainable, self-reliant, and globally competitive aviation ecosystem.

Launch of SAF Report

Closed Roundtable Discussion

Shri Nitin Gadkari speaking at the launch of SAF Association

With Shri Kinjarapu Rammohan Naidu, Hon'ble Minister, Ministry of Civil Aviation, GOI

Strategic MOU Signing

Felicitation of Mr. Faiz Ahmed Kidwai Director General, Directorate General of Civil Aviation (DGCA) – India

INTERNATIONAL PLATFORM FOR SUSTAINABLE AVIATION

The India SAF Conclave 2026 serves as an international forum for advancing global collaboration on Sustainable Aviation Fuels (SAF), aligned with international climate goals and net-zero ambitions.

POLICY ALIGNMENT & CORSLA READINESS

Focused discussions on international policy frameworks, regulatory readiness, and integration with global mandates such as ICAO's CORSIA, and national decarbonisation pathways.

HIGH-LEVEL GLOBAL PARTICIPATION

Over 1000 delegates including government officials, policy makers, international aviation bodies, airlines, refiners, energy majors, investors, and technology innovators from across continents.

INNOVATION & TECHNOLOGY LEADERSHIP

Showcasing cutting-edge solutions such as Power-to-Liquid (PtL), carbon capture, hydrogen-based fuels, and digital MRV systems driving the next wave of clean aviation.

INVESTMENT & PARTNERSHIP OPPORTUNITIES

A strategic platform for cross-border collaborations, joint ventures, and financing partnerships to accelerate SAF production and adoption.

KNOWLEDGE EXCHANGE & CAPACITY BUILDING

Global best practices shared through masterclasses, roundtables, and technical sessions fostering learning and cooperation.

THOUGHT LEADERSHIP & RECOGNITION

Presentation of India SAF Awards honouring global excellence in innovation, policy action, and sustainable aviation initiatives.

INDIA AS A GLOBAL HUB

Positioning India as a key regional hub for SAF production, innovation, and collaboration — driving collective progress toward net-zero aviation.

WHY ATTEND THE INDIA SAF CONCLAVE ?

**INDIA SAF
CONCLAVE
AWARDS 2026**

2nd Edition

UNLOCK OPPORTUNITIES IN THE SAF MARKET

Tap into India's rapidly expanding aviation sector, which is fueling unprecedented demand for Sustainable Aviation Fuels (SAF) and creating vast opportunities for producers, investors, and innovators.

ENGAGE WITH LEADERS ACROSS THE SAF ECOSYSTEM

Engage with key influential stakeholders — including government representatives, investors, technology developers, and global SAF pioneers — shaping the future of green aviation in India and beyond.

GAIN INSIGHTS INTO INDIA'S SAF MANDATE LANDSCAPE

Stay ahead of the curve with exclusive updates on India's evolving SAF and eFuel policies, regulatory frameworks, and breakthrough technologies driving next-generation aviation decarbonization.

LEARN THROUGH CROSS-SECTOR ENGAGEMENT

Participate in immersive masterclasses, dynamic roundtables, and high-impact panels featuring international experts sharing actionable strategies for scaling SAF innovation and adoption.

DEMONSTRATE EXPERTISE IN THE SAF ECOSYSTEM

Position your organization as a thought leader by highlighting your innovations, technologies, and success stories that are advancing India's clean aviation and fuel ecosystem.

IDENTIFY BANKABLE SAF OPPORTUNITIES

Discover new projects, partnerships, and funding models catalyzing SAF growth and learn how to leverage India's emerging green finance and carbon market frameworks.

INVITED SPEAKERS @ INDIA SAF CONCLAVE

PROGRAMME FLOW

**INDIA SAF
CONCLAVE
AWARDS 2026**

2nd Edition

DAY 1 (28 th Sept 2026) (10:00 AM TO 6:00 PM)	DAY 2 (29 th Sept 2026) (10:00 AM TO 10:00 PM)	DAY 1 & DAY 2
SESSION THEMES	SESSION THEMES	
Inaugural Session: India at the Forefront: From Policy Ambition to Global SAF Leadership	From Mandates to Markets: Navigating the Global SAF Policy Landscape	Networking Meetings: 11:00 AM to 6:00 PM SAFA Matchmaking
Scaling India's SAF Ambition: Aligning Feedstocks, Demand and Investment for Growth	From Demand to Deployment: Airlines and Airports Driving India's Sustainable Aviation Transition	-----
Unlocking UCO for SAF: Accelerating Commercial Scale and Market Readiness	India SAF Project Showcase: Accelerating Investment and Market Readiness	Special Workshop: SAFA & RSB Capacity Building & Industry Engagement Workshop 29 th September 2026 4:00 pm to 5:30 pm
Beyond Blending: Transforming India's Ethanol Success into Aviation Decarbonization Leadership	International Buyers & Investors Forum: Connecting Global Capital, Demand and Partnerships for SAF Growth	
Accelerating e-SAF Deployment: Pathways to Net-Zero Aviation	The Future of SAF: Advanced Feedstocks, New Pathways and Next-Generation Aviation Fuels	Book Your Spot NOW !! Mr. Prabhav Vyavhare Project Coordinator, SAF Association M: +91 9811779580 9920979595 Secretary@safassociation.com
Technology Pathway for SAF: From Innovation to Commercial Deployment	Valedictory Session: India SAF Roadmap 2030: From Vision to Commercial Scale	
Networking Meetings	India SAF Awards 2026	
India SAF Conclave Exhibition- Both Days		

WHY SPONSOR THE INDIA SAF CONCLAVE 2026 ?

**INDIA SAF
CONCLAVE
AWARDS 2026**

2nd Edition

POSITION YOUR BRAND

Align with India's leadership in sustainable aviation and showcase your commitment to decarbonisation.

SHAPE POLICY & PARTNERSHIPS

Participate in strategic dialogues influencing India's SAF roadmap and investment agenda.

SHOWCASE THOUGHT LEADERSHIP

Feature in panels, masterclasses, and showcases that spotlight your innovations and expertise.

ENGAGE WITH DECISION-MAKERS

Connect with 400+ senior leaders from ministries, airlines, energy majors, investors, and global alliances.

GAIN MAXIMUM VISIBILITY

Benefit from extensive branding, media exposure, and on-site recognition across all event platforms.

UNLOCK BUSINESS OPPORTUNITIES

Build partnerships with project developers, financiers, and technology leaders driving the SAF ecosystem.

EXPECTED OUTCOMES

**INDIA SAF
CONCLAVE
AWARDS 2026**

2nd Edition

ACCELERATE INDIA'S SAF ROADMAP

Advance enabling policy, regulatory, and investment frameworks to scale up sustainable aviation fuel production and adoption.

BOOST MARKET READINESS & DEMAND

Accelerate airline and refinery preparedness through incentives, certification mechanisms, and Book & Claim systems

MOBILISE FINANCE & INVESTMENT

Unlock pathways for capital flow, carbon finance, and blended funding to support SAF and eFuels projects.

DRIVE TECHNOLOGICAL INNOVATION

Promote R&D and deployment of emerging SAF pathways, including diverse feedstocks, Power-to-Liquid (PtL), and carbon capture technologies.

DEVELOP A RESILIENT SAF ECOSYSTEM

Build synergy across the entire value chain—from feedstock supply to fuel offtake—to ensure scalability and supply security.

ENHANCE GLOBAL COLLABORATION

Align India's SAF ambitions with international sustainability goals and strengthen technology and knowledge exchange.

**INDIA SAF
AWARDS 2026**

2nd Edition

NOMINATION CATEGORIES

1. SAF TECHNOLOGY INNOVATOR OF THE YEAR

(For breakthrough innovations in SAF production, utilisation, or supply chain.)

-National International

Categories:

SAF Production SAF Utilisation SAF Supply & Value chain

2. BEST AIRLINE FOR SAF ADOPTION

(Recognising commercial or cargo airlines leading in SAF adoption.)

-National International

Categories:

Freight / Cargo Commercial Scheduled / Non - Scheduled

3. LEADING SAF COMPANY AWARD

(Awarding companies producing or committed to producing SAF at scale.)

-National International

4. SUSTAINABLE AIRPORT OF THE YEAR

(Airports demonstrating excellence in net-zero practices, including SAF use.)

-National International

Categories:

Domestic International

5. BEST SAF FEEDSTOCK SOLUTIONS

(For innovative, high-quality, and sustainable SAF feedstock solutions.)

-National

6. SAF INVESTMENT AWARD

(For investors or institutions significantly supporting SAF development.)

-National International

7. SAF SUPPLY CHAIN EXCELLENCE AWARD

(Recognising innovation across the SAF production-to-distribution chain.)

-National International

8. BEST ORGANISATION FOR SCOPE 3 REDUCTION

(For leadership in reducing Scope 3 emissions via Book & Claim or projects.)

-National International

9. EXCELLENCE IN SAF R&D

(Institutes/ Corporate pioneering the SAF R&D)

-National International

10. SAF POLICY LEADERSHIP AWARD

(For policymakers or organisations advancing SAF regulation and uptake.)

-National International

11. BEST ORGANISATIONS TO PROVIDE SAF FEEDSTOCK

(Recognising FPOs or suppliers enabling sustainable SAF feedstock access.)

-National

12. BEST STATE / COUNTRY FOR SAF POLICY DEVELOPMENT

(For states taking significant action in SAF production and policy.)

-National

13. SPECIAL JURY MENTION AWARD

(To honour an outstanding contribution as selected by the jury.)

-National International

DELEGATE FEE (Secure your seat)

Not just a conference. A platform to connect, collaborate, and accelerate SAF deployment

 28–29 September 2026 |  Bharat Mandapam, New Delhi

Join India's premier Sustainable Aviation Fuel (SAF) gathering and connect with the leaders driving aviation's net-zero future.

YOUR DELEGATE PASS INCLUDES

- Access to all conference sessions and keynote addresses
- Insights from global industry experts and policymakers
- Access to the SAF Exhibition & Innovation Showcase
- Networking with airlines, fuel producers, investors, airports, regulators, and technology leaders
- Business matchmaking and partnership opportunities
- Entry to the India SAF Awards 2026
- Conference lunch, refreshments, and networking breaks

BUILT FOR SECTORS POWERING THE SAF TRANSITION

Airlines

Fuel Producers

Refiners

Airports

Investors

Feedstock Suppliers

Technology Providers

Government Agencies

Sustainability Professionals

Secure your seat and be part of the conversations shaping the future of Sustainable Aviation Fuel in India and beyond.

15th July 2026)

EXHIBITION SPACE AND MEETING HALL FACILITIES

India SAF Conclave & Awards 2026 is a leading platform to accelerate partnerships, investments, technology deployment, and market development across the Sustainable Aviation Fuel ecosystem.

Exhibition Hall

Showcase products, technologies, services, and innovations to a highly targeted SAF audience. Available in the Prefunction Area and ISC Hall 5

Private Meeting Room

Conduct one-to-one meetings, business negotiations, investor discussions, and strategic partner engagements. Available at ISC Hall 3 on an hourly booking basis (11:00 AM – 8:00 PM IST).

Special Room for Technology, Innovation and Others

Use ISC Halls 6 & 7 (33 ft x 38 ft) for technology showcases, innovation displays, and other demonstrations. Available for 2-day booking.

OPPORTUNITIES AVAILABLE

Whether your objective is brand visibility, business development, deal-making, partnership building, or market expansion, India SAF Conclave & Awards 2026 provides the platform to deliver measurable outcomes.

BHARAT MANDAPAM, PRAGATI MAIDAN, NEW DELHI

The selection of Bharat Mandapam to host the Sustainable Aviation Fuel (SAF) Conclave 2026 is a strategic move that underscores the event's global significance. Given the venue's capacity, cutting-edge infrastructure, and prior experience hosting world leaders, it is perfectly suited to accommodate the expected large number of delegates from across the world. The Conclave, which focuses on accelerating the adoption of Sustainable Aviation Fuel to decarbonize the aviation sector, will leverage the Mandapam's facilities for high-level policy dialogues, technical sessions, strategic networking, and showcasing innovation. Hosting this major international summit will position India as a key player in the global sustainable energy transition and highlight its growing capability to manage complex, world-class environmental and economic forums.

About SAF Association

Join SAF Association, a not for profit organisation and India's leading industry-led platform exclusively focused on decarbonizing the aviation sector and advancing the net-zero ambitions. SAFA fosters strategic collaboration among government, airlines, fuel producers, technology providers, financial institutions, and civil society to enable a resilient, scalable, and low-carbon aviation ecosystem.

Benefits to Join SAF Association :

- Influence policy & regulatory frameworks
- Access global industry network
- Participate in flagship events & conclaves
- Enhance visibility & brand positioning
- Access market intelligence & research
- Gain advisory & technical support
- Connect with investors & capital
- Drive leadership in sustainable aviation
